- During their study leave any student who needs to stay at school must remain at school and report to the hall for supervised study at 11.35am. This includes bus students and day pupils who are at school to study. Supervised study rooms will be available for the rest of the day.

Students who miss examinations:

- Year level Deans will organise as many catch-up examinations during the examination week.

Important things to remember:

- Students must wear the correct school uniform to the examinations and be appropriately groomed.
- Students are to go to the toilet **before** the examination commences if they need to. The supervisors are not going to let a huge number of students go to the toilet during the examination as it disrupts other students.
- Note that students are **not permitted** to have their own writing paper in the examination room.
- Students may not drink water during the examination.
- Students who finish exceptionally early will be instructed to make a better effort or expect to re-sit it in their own time. In such cases, the finish time will be recorded on their paper. School procedures for poor performance will be followed in such cases.
- Students who finish **within 30 minutes** of the end of the examination (and not before) may read their SSR book.
- Students must make sure they have the correct stationery for their examinations.
- All students are to remain in the hall/examination room for the full duration of the examination.
