

# PNBHS Testimonials 2023

## Before completing your testimonial application consider the following information:

- ▶ Each student must nominate four PNBHS staff members they have had meaningful interactions with over the past two years.
- ▶ Nominees can include subject and co-curricular teachers, and others who have made a positive impact on their journey.
- ▶ It is crucial for students to seek consent from the teachers they wish to nominate before completing the form.
- ▶ Students should choose teachers who know them well enough to provide insightful answers regarding their character and academic abilities.
