### Gateway to Apprenticeship

BCITO currently have in excess of 10,000 apprentices currently in training across New Zealand in 14 different trade sectors. The school Gateway programme has consistently helped to transition many students from the school environment into the workforce; but we'd like to help make that transition as smooth as possible.

As such, here's your opportunity to find out about transitioning from the school Gateway programme into an apprenticeship.

When: **Thursday 25 August 2016 from 6.30pm**

Where: **BCITO, 32 Amesbury Street, Palmerston North**

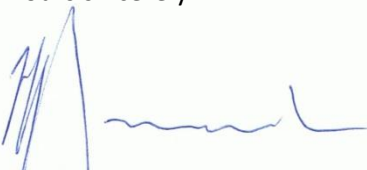

RSVP: To **hayden.burmeister@bcito.org.nz** by Friday 19 August 2016 with your name, school and contact details

We will cover:

- Your transition to an apprenticeship
- What are employers looking for?
- Employment opportunities and trades
- Applying for a BCITO scholarship – get all your apprenticeship fees paid for!
- How to 'spring-board' your career

Don't hesitate to get in contact with any queries. We look forward to seeing you there.

Yours sincerely
